SUBJECT: SECOND QUARTER EXAMINATION

DATE: October 08, 2015

The Second Quarter Examination slated October 15-16, 2015 is moved to October 22-23, 2015 in order to ensure more time on task/contact hours between teachers and students. This is because of the numerous days that students were unable to attend classes due to typhoons and flooding in many areas of the city.

Furthermore, right after the test is the scheduled semestral break (October 26-30). School heads therefore, are directed to schedule the following suggested activities which will be personally monitored by the Schools Division Office (SDO) Team:

- Mid-year Assessment
- In Service Training
- School-Based Journalism Workshop
- Instructional Materials Development
- Others

For your information and compliance.
