FROSERFINA J. BRAVO

Schools Division Superintendent  
Dagupan City

RECEIVED

29 SEP 2016

Dear Ma'am,

Our company, **Cinema & KulturaPrimeraNterprises**, aims to promote Indie and science related films. And through this, we empower students with educational but value-oriented movies that stimulate intellectual, social issues and would influence them subliminally about family values and morals.

Since values and morality are steadily declining these past years and unfortunately our children are greatly affected for they suffer most, the said films are effective ways in alleviating standards that has been declining for the past generation. In this connection, we encourage children and parents of Dagupan City to view such quality movie that will help uplift principles and to revitalize family bonding.

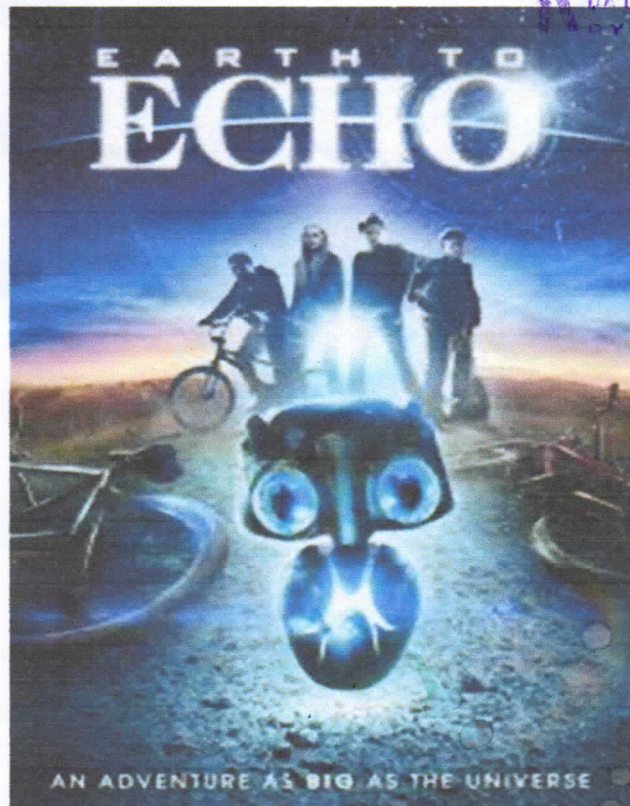

In line with this, **CKPN Enterprises** is asking your good office to permit us to host over a full-length movies entitled, **EARTH TO ECHO** at Robinson's Calasiao Cinema on October-December 2016. The Showing dates will be on Saturdays and Sundays for there will be no disruption of regular classes. The ticket price is ₱ 150.00 only. This said event is a purely voluntary basis only.

Such consideration will be highly appreciated.

More power!

Respectfully yours,

  
**ANNA B. ARELLANO**  
Marketing Manager  
CKPN Enterprises
