Ilocos Sur	9	
Batac City	8	
Candon City	8	
Vigan City	8	
Laoag City	8	
San Fernando City	8	

- The purpose of the training-seminar is to provide the participants an understanding on the basic concepts, process and effects of different weather disturbances and rain-producing weather systems in the country so they can create their own disaster preparedness program to reduce the impacts of weather-related disasters.

Specific Objectives:

- Equip the participants with necessary weather knowledge for formulating contingency plans and coming up with appropriate decisions to mitigate the adverse effects of weather-related disasters.
 - Create awareness of weather conditions and advocate disaster preparedness and how it could be cascaded to students.
 - Promote and enhance safety awareness programs of the schools and community for a disaster-resilient Region.
3. The participants of this training-seminar are selected Division Disaster Risk Reduction Management Coordinator/Officer, Schools Disaster Risk Reduction Management Officer, School Heads and Science Teachers.
 4. Transportation and accommodation expenses of the participants relative to this activity shall be charged against local funds subject to the usual accounting and auditing rules and regulations.
 5. Immediate dissemination of this Memorandum is desired.
