I. QUALIFIED PARTICIPANTS

1. Participants are team of three students currently enrolled in any public or private secondary schools in Pangasinan.
2. Should be **Junior or Senior High School** regardless of year level, only the 1st placers (team) in the Division Statistics Quiz are qualified to join the Provincial Statistics Quiz. In case division eliminations could not be conducted, the division can endorse its official representative for the provincial contest. The division's representative to the provincial contest should be endorsed by the Division Superintendent to the NSM-PSC secretariat before the conduct of the contest (name of contestants, name of coach and school of contestants).

II. MECHANICS

1. The questions will be prepared and reviewed by the NSM-PSC Technical Working Group (TWG).
2. The contest consists of three rounds. The first 2 rounds will consist of 10 questions each with a score of 1 point per question. The third round will comprise 10 questions which shall be given 2 points each.
3. The questions shall focus on problems solving, general knowledge, personalities and current events in statistics. The questions will revolve on advocacy on statistical awareness, NOT to test the statistical expertise of the students.
4. All contestants will go through all levels. Scoring will be cumulative.
5. Substitution of team members is not allowed once the contest has started.
6. Answers to local personalities should be given in full (first and last name). For foreign personalities last name will suffice, unless otherwise required.
7. Names of agencies, departments and divisions should also be fully spelled-out. Acronym is not allowed.

Contestants can start answering a question even when the quizmaster has not finished reading it. Solving papers are provided.
9. Calculators are not allowed.
10. For multiple choice questions only the letter of the correct answer is required.
11. Contestants are provided with an answer board to record their answer. The answer board should be raised upon the sound of the buzzer. 12. The duly registered coach of the contestant (one coach only/team) is the only person authorized to register a protest or raise questions. All questions and protests should be raised and settled prior to the reading of the next question or the start of the next level, whichever comes earlier. These shall be referred to the Panel of Judges, whose decision shall be final and not appealable.
