Dear Dr. Bugayong.

Greetings!

The garbage problem we are facing is without a doubt a global issue. Hence, we can no longer afford to be indifferent and leave this concern to the government to solve alone.

In view thereof, there is a need for us to take action on our trash.

On March 3, 2018 (Saturday), the City Government will be relaunching the Solar Ko Linisan Ko, under Ordinance No. 1818-2004 entitled, "Enjoining all lot owners in the City of Dagupan to observe the Clean-and-Green Upkeep of their premises and prescribing penalties for violations thereof."

May we request your kind and indispensable assistance in ensuring the cleanliness of the surroundings (front, inside, back) of your schools' premises not only for one day but for the other days to come.

Your cooperation to the upkeep of our city will be highly appreciated.

Thank you very much.

Very truly yours,
