Dear Dr. Malcolm Garma:

The need to empower our elementary and high school students and their TEACHERS is of prime importance to SYL Team! In our last meeting of Leadership Consultants in the Asia Pacific Region which took place at the United Nations University in Tokyo, Japan last November 26, 2018, a research was presented by the UNU team, that many of our students have been caught in vicious cycles of laxities brought about by their own gadgets which led to very poor academic ratings, poor presentation of skills especially reading and writing and a significant increase in suicides because the youth of today have become too personal in their affairs, and blended with too much freedom to express themselves in Facebook, Instagram and Youtube.

As part of our greater commitment to strengthening the Filipino nation and our ASEAN region, SYL would like to offer an Empowerment Program for the Youth and their Teachers through INTERNATIONAL LEADERSHIP TRAVEL and EXCHANGE. These are the following:
