Director:

Greetings!

The Pangasinan Association of Researchers, Educators and Statistical Software Users, Inc. or PARESSU, Inc in cooperation with the Pangasinan State University Lingayen Campus will conduct a 3-day live-out national research training entitled "NATIONAL TRAINING IN QUALITATIVE AND QUANTITATIVE RESEARCH FOR BEGINNING AND INTERMEDIATE RESEARCH TEACHERS AND PRACTITIONERS USING PRACTICAL AND CONTEXTUAL APPROACH" on February 1, 2, and 3, 2019 at the Bureau of Fisheries and Aquatic Resources – National Integrated Fisheries Technology Development Center (BFAR-NIFTDC).

This national training aims to:

- update the participants on the Senior High School curricula in Practical Research 1, Practical Research 2, and Inquiries, Investigations and Immersion;
- provide working content on both qualitative (case study) and quantitative (survey research and experimental) research for classroom-based research; and
- explore practical and contextualized teaching strategies for research in the senior high school curricula and research at the tertiary level; and
- develop and/or nurture a strong work ethics in beginning to write a research for beginning and intermediate research teachers and practitioners.

Participants to this training will include junior high school research teachers, senior high school research teachers, beginning research teachers, research practitioners in the high school and in the tertiary level, college students enrolled in research, interested school administrators, and research-enthusiasts.

In line with this, may we respectfully ask your Office for an advisory regarding the conduct of the training in order to reach more interested participants especially in our region? Details of the training like Training Matrix and Registration are herewith.

Thank you very much, and more power to the very strong Region 1!

Sincerely,

J. Camara
