Public Schools District Supervisors
All schools concerned

FROM : Office of the Schools Division Superintendent

SUBJECT : 2019 NATIONAL SEARCH FOR SUSTAINABLE AND
ECO-FRIENDLY SCHOOLS

DATE : February 15, 2019

RELEASE
DATE: 2/16/19
TV 7875

1. The Environmental Management Bureau (EMB) of the Department of Environment and Natural Resources (DENR), in cooperation with the Department of Education, the Commission on Higher Education and private sector partners will conduct the **2019 National Search for Sustainable and Eco-Friendly Schools**, in response to Republic Act No. 9512 also known as National Environment Education Awareness and Education Act of 2008.
2. The search aims to:
 - a. encourage schools/academic institutions to become more actively involved in environmental issues at practical and local level;
 - b. develop skills and understanding among the students, faculty and school administrators in initiating active response and increasing community awareness and participation on environmental concerns.
3. The promotion of this program is for the establishment and/or strengthening of *sustainable and eco-friendly schools in the country had been enriched as a priority to the Post ASEAN Environment Education Action Plan for Sustainable Development 2014-2018.*
4. Interested schools will be provided technical assistance and orientation regarding the said search. For queries, please coordinate with the SDO through DRRM at 075-615-2647 and/or the EPS in Science (Dr. Cherry Cayabyab).
5. Please refer to this link for further details:

The Regional Director
Department of Education- Region 1
Flores St., Catbangan, San Fernando City, La Union

Dear Sir/Madam:

The Environmental Management Bureau (EMB) of the Department of Environment and Natural Resources (DENR), in cooperation with the Department of Education, the Commission on Higher Education and private sector partners will conduct the **2019 National Search for Sustainable and Eco-Friendly Schools**.

The search which is open to elementary, secondary, and tertiary nationwide aims (1) to encourage schools/academic institutions to become more actively involved in environmental issues at a practical and local level; and (2) to develop skills and understanding among the students, faculty and school administrators in initiating active responses and increasing community awareness and participation on environmental concerns.

The promotion of this search for the establishment and/or strengthening of sustainable and eco-friendly schools in the country had been enshrined as a priority in the ASEAN Environmental Education Action Plan for Sustainable Development 2014-2018, and likewise in the Road Map for the Implementation of Republic Act No. 9512 also known as the National Environmental Awareness and Education Act of 2008.

In relation to this, we would like to request the assistance of your office in disseminating the attached posters urging the various public and private elementary and high schools in your division to join the aforementioned.

For school entries from your division, we would like to request for a master list of the same, if possible on or before **May 10, 2019**.

We look forward to your favorable response on this matter. Should you have any other queries, please do not hesitate to contact:
