Re: 5th Philippine Esri Education GIS Conference on May 28-29

Dear Dir. Garma,

The next big thing in the GIS education community is happening this year! Geodata Systems Technologies, Inc. is pleased to invite you to attend the **5th Philippine Esri Education GIS Conference on May 28-29, 2019** in [venue] with a theme **Digital Transformation: Changing our World**.

Digital Transformation isn't just about boosting the efficiency or effectiveness of business as usual. It means using technology to fundamentally change an organization's practices for the better. This conference will feature Esri programs including K to 12, GIS in curriculums, GIS in DRRM, Big Data and how digital transformation are changing the education community. In particular, the content of this conference is designed to maximize the delegates' exposure to geospatial technologies and how it is used in various sectors.

Learn and get updated on all things GIS for both decision makers and educators. Listen from and collaborate with leaders who made impact in their unique communities. Be inspired as the following highlights of the conference await you!

- **Plenary Session** – Make your way to the first station showcasing remarkable GIS projects and Keynote presentation.
- **User presentation** – Discover how your peers are innovating in their GIS implementation and exchange teaching resources with fellow educators and GIS professionals as they present their work with pride.
- **Technical Break-out Station** – Learn everything there is to know on what's new in ArcGIS software and apps that will take your projects to the next level.
- **Demo Station** – Stop by and experience the digital transformation as you test drive different apps and live demos.
- **Exhibit and Digital Maps Station** – Apply new ideas to your work as you learn new GIS technology at the booth and see what others have accomplished.

- **Social Gathering Station** – Gather for the last time to enjoy prizes, awards, food and drinks as a culminating activity.

Detailed information about the conference such as agenda, registration fees, sponsorship opportunities, and others are posted on www.geodata.com.ph and Geodata's official social media accounts. To register for the conference, please go to <https://arcg.is/1SJT4y> or contact our Secretariat Committee, Ms. April Echanes at Tel. nos. (632) 637-4449 loc. 1048; aechanes@geodata.com.ph for further information.

Thank you and we look forward to another great conference with you.

Very truly yours,

James Elfrond B. Lagare
