Dear Ma'am Ventenilla,

Good day!

City Savings Bank has always been at the forefront of developing stronger partnership and linkages with our external stakeholders through our various Corporate Social Responsibility (CSR) interventions. CSR is an integral part of how we do business and is aligned to the bank's advocacy to give back to the communities where we operate.

With our continuing efforts to look after the welfare of Filipino public school teachers, we would like to promote their wellness through **Project Pink: Breast Cancer Awareness Program for School Heads and Division Office Personnel** scheduled on *October 28, '19 (Monday)* at the **Dagupan City MUSEUM** at *8:30 am to 12:00 pm*. This activity aims to educate and raise awareness among public school teachers on prevention and early breast cancer detection in order to reduce the risk of breast cancer cases among women.

In line with this, we would like to request for your assistance to extend this invitation to public school teachers Dagupan City Division. We are looking at **maximum of 80 teachers** from different schools for this initiative. The lectures are free of charge and **A.M. snacks and Meals will be provided**. Attached is the program flow for reference.

Should you have any questions and/or clarifications, please do not hesitate to contact the Branch Business Head of Dagupan Branch Mr. Samuel A. Mondejar at 0906-200-9863 or email her at Samuel.mondejar@citysavings.com.ph.

We are looking forward to your positive response and support on this health advocacy and breast cancer awareness.
