Dear Ma'am:

Our heartfelt greetings from PMHA!

The PMHA is the only non-government organization in Pangasinan, who persevere in actualizing its noble endeavor gearing towards community mental health. Despite the cold, and brutality of the stigma and stereotype attached to mental health, for 54 years, the Chapter withstands to move with compassion, generosity, and remain loyal in uplifting its vision, mission and goals. On behalf of the members of the Board of Management of the Philippine Mental Health Association, we are truly grateful for the steadfast support you lend to the association for the historical years. With partnership, we were able to promote, champion, sustain and even expand our programs and services in line with our mission and objective in stimulating positive community mental health and such a lifestyle. We believe that strong and valuable collaborations and partnerships provide the long-term capacity to achieve what may not otherwise be achieved. Because of your voluntary help and unceasing support, we were able to conduct consultations and treatment to the indigent out patients of our community, mental health orientation to the different schools, and trainings or seminars to the concerned citizens of Pangasinan.

In connection, we again ask for your support through a memorandum letter or endorsement letter to various schools in your division allowing us to continue our membership fund campaign as a source of funding. This is in the form of voluntary membership collection with tickets amounting to two pesos (PHP 2.00) per pupil in elementary and five pesos (PHP 5.00) per student in high school and teacher this S.Y. 2019-2020. The collected fund would help us commendable projects not only in the school but in the community as well.

Your generosity and kindness would assure us to continue our services and carry out our mission in the service of the community. We will continue to further enhance our dedication and service to the people.

We look forward for a continued partnership with you in the promotion of sound mental health. Again, we are very grateful and GOD bless.

Sincerely yours,

MRS. ERYL G. DATARIO
PMHA – Chairman
