

December 2, 2019

Dr. Maria Celia Junio—Fernandez
Division Superintendent
Schools Division Office – Dagupan
Department of Education
Downtown District, Dagupan City 2400

ANNOUNCEMENT

Dearest Ma'am:

Pleasant Greetings!

Due to conflicting schedules, last-minute changes and pre-arranged year-end engagements of schools, colleges and universities initially involved as delegates to the **1st Annual Youth Empowerment and Awareness Convention** titled; **“Secure the Future! Arming the youth with knowledge to secure the next generation's future”** which was initially scheduled to be held on December 4, 2019 at Dagupan People's Astrodome, Media Worx Events Management Services and its event partner Junior Chamber International (JCI) 'Dagupeñas' decided to re-schedule the event on a more appealing and convenient date which will benefit all parties involved.

December indeed has come and a lot of year-end school activities has been pre-scheduled to be accomplished and as event organizers that whole-heartedly understand the predicament of overlapping or conflicting schedules, we are giving way for these activities and programs to be realized.

This will also present an opportunity for various educational institutions involved to encourage more student delegates to attend the said event. In parallel, we, the organizers, will have the opportunity to reach out to more schools, colleges and universities and gather a greater crowd of students for a more powerful, exciting and memorable event.

Hence, may we inform you that the new schedule for the **1st Annual Youth Empowerment and Awareness Convention “Secure the Future!”** will be on **January 31, 2020**.

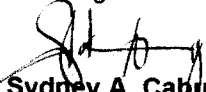

Your unwavering support is beyond measure. More power and God bless you immensely.

For inquiries regarding the event or this announcement, please contact us at **0945-491-0414**.

Most Sincerely,

Melanie O. Gonzales
2020 President
