Dear Dr. Tolentino:

The Lyceum-Northwestern University (LNU) in partnership with the Benita and Catalino Yap Foundation (BCYF) and Department of Science and Technology (DOST) will host the Innovation Forum 2020 with the theme "Innovation 101: From Invention to Innovation and Entrepreneurship" at the Le Duc Hotel, Tapuac District, Dagupan City on February 21, 2020. It is one among the activities lined up for this year's celebration of the Philippine Innovation Week.

Institutions of learning play a vital role in honing talents and building the human resource for the innovation system of our country. In line with this, Innovation Forum 2020 aims to equip the participants with knowledge and skills on the innovation cycle and ways on how to promote innovation among students; provide a venue for sharing of experiences in innovation in various fields and industry; and also to promote innovation among the youth by providing a venue for young talents to share their innovative ideas through the poster paper exhibits.

Relative to this, we would like to invite DepEd Senior High School teachers and students in the STEM, ABM and education strands to participate and present their innovative outputs in research in the forum. Attached is the call for abstracts and tentative program for the Innovation Forum 2020. Participants are encouraged to pre-register to facilitate preparation of conference kits and food/snacks reservation.

We will highly appreciate your endorsement of the activity to the different Senior High Schools and Science High Schools in Region 1.

Respectfully yours,

Luz T. Duque-Hammershaimb, MD  
 University President
