DATE : **March 11, 2021**

1. As part of the Department of Education's (DepEd) initiatives in response to the COVID-19 pandemic and other disasters, The Disaster Risk Reduction and Management Services (DRRMS) will be delivering a mental health and psychosocial support services television program for elementary learners titled *TALA: Tuklasin, Alamin, Likhain, at Alalahanin*.
2. Through music, storytelling segments, and art activities, this child-friendly program aims to ensure the proper development of children's social emotional learning and help them reach developmental and emotional milestones, at home and at school. Further, each episode aims to discuss different social emotional learning themes such as identifying and recognizing children's emotions and strengths; building their self-esteem and self-efficacy; and recognizing relationships between their family, peers, and communities during the pandemic.
3. In this regard, the DRRMS encourages all DepEd personnel, especially teaching and non-teaching staff in elementary schools, to disseminate this information and invite all elementary learners and parents to watch the said program on DepEd TV every Saturday at 7:00-7:30 AM. The program will also be available at the DepEd Philippines Facebook page and YouTube channel at 8:00-8:30AM, starting 06, March 2021.
