Subject: **Early Registration for SY 2021-2022**

Date: March 23, 2021

1. Due to major changes in the school calendar for School Year (SY) 2020-2021, the Department of Education (DepEd) will conduct the early registration for SY 2021-2022 from March 26 to April 30, 2021.
2. In this regard, all public elementary and secondary schools are required to observe the month-long activities to ensure that incoming learners are registered for the School Year and help the Department better prepare for possible issues and concerns that may arise, as stipulated in DepEd Order No. 3, s. 2018, or the Basic Education Enrollment policy. Meanwhile, DepEd reminded schools and the public to still follow precautionary measures against COVID-19 transmission for the early registration activity.
3. All incoming Kindergarten, Grades 1, 7, and 11 in public elementary and secondary schools shall pre-register to allow the Department to make necessary preparations and incoming plans for the coming school year.
4. Attached is the Division Monitoring Team who will be monitoring the conduct of the first day of 2021 Early Registration on March 26, 2021. Likewise, the monitors shall accomplish the monitoring tool using the Google Form link which will be sent thru group chat (SDO Personnel).
