What book is in our bag?

From the editor

Research confirms that reading books can help one understand other's mental state. It is a crucial skill in developing relationship.

Moreover, reading in general, can make one a good conversationalist for it enriches one's vocabulary, broadens imagination and improves the level of concentration.

Therefore, it is good to belong to a workplace where everybody loves to read. So, keep a handy book in your bag and make reading a habit.

We, at the Preceptors' View would love to share with you our "bookfies" (selfies with our books). Check out and see some books that you might find interesting.

How about you? What book is in your bag? You may also share your bookfies with us and get a chance to win a special prize from Preceptors' Views' Adviser EPS Dr. Agnes B. Royulada. Just send your bookfies at <https://tinyurl.com/whatbookisinmybag>. Or you may

also upload your bookfies at Facebook and use the hashtag #whatbookisinmybag.

Happy Weekend!
