

Republic of the Philippines  
**Department of Education**  
REGION I

Advisory No. 040, s. 2020  
April 15, 2021

This advisory is issued not for endorsement per D.O. No. 28, s. 2001,  
but only for the information of DepEd Officials,  
personnel/ staff, as well as the concerned public.  
(Visit [www.deped.gov.ph](http://www.deped.gov.ph))

**SAGIP MANANALIKSIK (for Everyone and for One-on-One)**

The ETCOR Educational Research Center will again conduct a free webinar via YouTube and Facebook Live, for the whole second semester of SY 2020-2021, for senior high school students. The two projects launched are entitled Project SAGIP MANANALIKSIK (for Everyone) and Project SAGIP MANANALIKSIK (for One-on-One).

Research experts from the different parts of the country will serve as volunteer speakers covering DepEd's MELCs for the following subjects: Practical Research 1 (Qualitative Research), Practical Research 2 (Quantitative Research), Inquiries, Investigations and Immersion (3Is), and the Research Capstone. Research consultants will also assist the students in their SHS research journey either through coaching or provision of financial aid.

Students in the public and private senior high schools are invited to participate in the activity on voluntary basis.

Participation of the public and private schools shall be subject to the no-disruption-of-classes policy stipulated in DepEd Order No. 9, s. 2005 entitled Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Herewith.

April 13, 2021

**DR. TOLENTINO G. AQUINO**  
OIC-Regional Director  
Department of Education-Regional Office  
San Fernando City, La Union

Dear Dr. Aquino:

Greetings from ETCOR Educational Research Center.

Staying true to its mission to help researchers love and embrace research and responding to the challenge that education must confront, disaster, pandemic and threat of the COVID-19 pandemic, ETCOR Educational Research Center located in Sta. Ana, Pampanga, Philippines has launched two projects, namely: (1) "Project SAGIP MANANALIKSIK (For Everyone)", and (2) "Project SAGIP MANANALIKSIK (One-on-One)". The details of the said projects are as follows:

**1. "Project SAGIP MANANALIKSIK (For Everyone)"**

Under the "Project SAGIP MANANALIKSIK (For Everyone)", ETCOR's research consultants who are composed of various researchers from the different parts of the country and are immersed in the conduct and handling of research from various levels (basic education and higher education institutions) are serving as volunteer speakers/lecturers/moderators in a series of online webinars on quantitative and qualitative research which are open for both students and teachers/professionals.

This project is an acknowledgement of the fact that DepEd needs partners from the private sectors or private groups that share the same mission and aspirations for the Filipino learners to have quality, relevant and accessible education even in the time of pandemic. The series of webinars under this project are in support and an augmentation to DepEd's different learning delivery modalities.

The series of webinars are being delivered via online platforms with public and private school students and teachers-audience coming from the different parts of the country. The webinars' video recordings are also uploaded in ETCOR's YouTube channel and Facebook Page to accommodate to those audience who will not be able to attend the webinars.

**2. "Project SAGIP MANANALIKSIK (One-on-One)"**

Under the "Project SAGIP MANANALIKSIK (One-on-One)", ETCOR's research consultants and other research enthusiasts and benefactors are individually adopting one Senior High School (SHS) learner from ETCOR's list of student-beneficiaries and from which the former are expected to assist the latter **FOR FREE** in their SHS research

journey either via coaching and/or provision of financial aid to help them in their expenses related to research. ETCOR has set requirements for students who would like to apply as student-beneficiaries under the said project.

This project is an acknowledgement of the fact that research should not only teach people to be intellectual persons but should develop in them the value of extending their assistance, no matter how little that might be – for other people especially during the time of uncertainty.

Subject to your quality assurance and evaluation, the video lectures in the previous research webinars can be watched on YouTube by your students and teachers through ETCOR's YouTube channel with link <https://www.youtube.com/channel/UCvKklWENA>. If they will encounter some problems in accessing it through the said link, they may just go directly to YouTube and search for the word "ETCOR" and the channel name. The videos will surely appear. With these audio-lectures, we are confident that we are able to help your students and teachers in their journey to fully embracing the culture of research.

For more information and updates, your students and teachers may also follow us through the following platforms:

Facebook:
