**C-BY-HELIX LEARNER'S TABLET PROPOSED BY HOLISTIC  
EDUCATIONAL LEARNING INNOVATION EXPONENTS, INC.**

To ensure that learning modules can be used by learners not only for a year but four(4) or more years, the Holistic Educational Learning Innovation Exponents, Inc. (HELIX Inc.) proposes the C-by-Helix Tablet to interested learners and teachers. The tablet can provide teachers access to training on the effective and efficient use of learning materials while providing both learners and teachers the luxury of having reading and other subject lessons at their fingertips through 21<sup>st</sup> century technology.

Attached is the letter of Candie B. Sumilang, Executive Sales Officer, and Purchase Request Form for reference.

# HELIX HOLISTIC EDUCATIONAL LEARNING INNOVATION EXPONENTS, INC.

6 August 2021

**Dr. TOLENTINO G. AQUINO**  
Regional Director  
San Fernando City, La Union

Dear RD Aquino,  
Greetings!

We pray that this letter finds you and your loved ones in the best of health!

Please accept, on behalf of the City Schools Division, our heartfelt congratulations for the successful completion of School Year 2020 – 2021, after overcoming enormous challenges brought by the continued presence of the Covid-19 virus among the general populace.

Our corporation, Holistic Educational Learning Innovation Exponents, Inc. (HELIX Inc.), as an active partner and concerned stakeholder in the provision of Quality Education, fully appreciates the difficulty both teachers and learners have experienced over the past year in the implementation of the modular distance learning.

In a desire to help lessen the innate burden brought about by the distance learning modality, our company formulated a blended learning package that will retain the benefits of modular learning while providing teachers and learners the benefits and ease of modern technology through online learning as well.

The package we are proposing will ensure that learning modules can be used by learners not only for a year (the lifespan of a printed module) but four (4) or more years.

The package shall provide teachers access to training on the effective and efficient use of learning materials while providing both teachers and learners the luxury of having reading and other subject lessons at their fingertips through 21<sup>st</sup> century technology.

Having been in the business of contributing to the realization of providing Quality Education for over a decade, our company makes certain that we only provide top line products to ensure the best value for money deals for our DepEd partners around the country.

The product we would hope to present to you is the C-by-Helix. The C is a tablet at the top of its class with a storage capacity of not only 2 GB but **4 GB RAM** and **64 GB ROM** unlike the usual 32 GB ROM devices in the market thus cutting the processing time by Half! Its central **processing unit is an 8 CORE**. One of the most amazing features of C is its size. Its screen is the G+G type that is **10.1 INCH IN SIZE** with a **1280 x 1280 resolution**. It also has a 5

megapixel front camera and an 8 megapixel AF rear camera. Additional features of the tablet include Dual Stereo Sound. It supports Gravity Sensor and 1.6 GHz GPS/GLONASS/BDS frequency as well as vibration motor. The tablet likewise supports JPG, JPEG, GIF, BMP and PNG image formats and even supports TXT, EPUB, PDF, WORD, EXCEL & PPT file formats. It can be connected to a 2.4G+ WIFI network. The user will enjoy a longer usage time because of its 6000mAh 3.7V battery. The device runs on an Android 10.0 operating system with English as its Default Language. The user can make use of up to 128GB Micro SD Card, a 3.5mm Stereophone, Dual Simcard and a Type C 5V 2A USB. Its back cover is a gray full metal jacket and comes with a color box, USB cable and a user manual. The device has a 1 year warranty for factory defect. What is more - it is loaded with digital learning modules which the next user can use the next year effectively ending the annual printing for at least 2 years. The C tablet comes with a built in English Reading Kit Level 1 Teacher's E-module plus an online teacher's training as well as an ERK Teacher's Guide ebook and video links for the pupils guide. And last but not the least, the e tablet provides access to Quipper School.

**Please feel free to call me at the number below for any queries.**

Thank you very much for your time and kind attention.

Very truly yours,

**CANDIE B. SUMILANG**
