MR. AGUEDO C. FERNANDEZ

Officer-In-Charge, Schools Division Superintendent
Department of Education Region 1, Division of Dagupan City
Burgos Street, Dagupan City, Pangasinan

Dear OIC-SDS Fernandez:

In response to the COVID-19 pandemic and the many challenges as well as changes that came with it, the Philippine Science High School System will continue with the alternative process to screen prospective scholars for its 16 campuses for SY 2022-2023.

In this regard, we would like to ask your assistance once again in endorsing the RACE to the different elementary schools under your jurisdiction that the processing of the PSHS NCE RACE has started and the deadline of submission of application forms is extended until **November 29, 2021**.

As part of intensifying the campaign, we are very glad to inform you that PSHS-IRC will be giving A4 bond paper (1 ream for every 5 NCE forms submitted) as a token of gratitude to those schools who will be able to submit qualified applicants. As we recognize the need of teachers in this time of remote learning, these A4 bond papers could be used by teachers in writing their learning modules.

In lieu of the yearly pen-and-paper PSHS National Competitive Examination, applicants will be screened and evaluated through the Requirements for Admission, Criteria, and Evaluation (RACE). The top 240 applicants will be considered as Principal Qualifiers of the PSHS-Main Campus while the top 90 or 120 (depending on the quota per campus) will be candidates for admission as Principal Qualifiers of the different regional campuses in the country.

Eligible to apply are Grade 6 elementary pupils from a duly recognized school by the Department of Education who meets the following criteria:

- have a final grade of 85% or better in Science and Mathematics, evidenced by the student's report card. If the student's grades in Science or Math are below 85%, then, he/she must provide evidence that he/she belongs to the upper 10% of the batch;
- be a Filipino citizen with no pending or approved application as immigrant to any foreign country;
- have at least a satisfactory rating (or its equivalent) in his/her Character Rating in his/her report card (SY 2020 - 2021);
- not have taken the PSHS NCE previously;
- preferably, be in good health and fit to undergo a rigorous academic program.

Application forms are available (downloadable at www.pshs.edu.ph) and may be filed at any of the following: PSHS-Ilocos Region Campus, DOST Regional offices, or Provincial Science and Technology Offices.

To apply and for more details regarding the RACE, applicants may visit <https://nce.pshs.edu.ph/>. The **deadline of application** will be on **November 29, 2021**. For more information, contact Ms. Jenyfer C. Rabang, Registrar, through text/call at (077) 674-1454, 0927-2741326 or via email at registrar@irc.pshs.edu.ph. Please find attached materials for more information.

Thank you very much as I hope for your most favorable response.

Truly yours,

RONNALEE N. ORTEZA, PhD
Campus Director/Director III
