Senior Education Program Specialist-Socmob  
DepEd , Dagupan City Division

Dear Sir,

Good day!

The **Association of Financial Management Educators, Inc. (AFMED)** was established on July 2015 which envisions to be a well-known service-oriented, leading organization composed of competent members and strong affiliates, globally recognized, committed in providing unique and competitive learnings, utilizing tools and ideas focused on financial management education. The association aims to recognize individuals in their pursuit of excellence in teaching financial management and accrediting financial management educators to protect the best interest of the profession and the students through quality trainings and continuous professional development.

The pandemic has been difficult, not only for the Philippines, but also for the rest of the world. It is adversely affecting the physical, emotional and financial well-being of individuals and families. The time calls to highlight the need for every individual and household to be prudent in managing finances. There is a need to improve financial literacy and capability to help Filipino families cope and recover from the socioeconomic impact of a crisis such as the global coronavirus pandemic.

AFMED works hand in hand with the government and other private organizations to promoting financial literacy across the nation. This year, AFMED launches "**Juan Nation Financial Education**", virtual caravan which aims to equip target sectors of the population with knowledge and skills necessary for them to make prudent financial decisions, become resilient in managing financial shocks, and eventually be economically empowered. The caravan is for free and targets the Junior and Senior High School students and teachers.

AFMED believes that this event will be more successful through a partnership with your division.

We look forward to your positive response and hopefully to work with you as one of our future partners.

We are willing to set a meeting with you to discuss the partnership.

Thank you and more power to your organization.

Sincerely,

**Donato Z. Estocada**  
President, AFMED
