**Subject: GATHERING OF INFORMATION ON THE USE OF DATABASE FOR ACTION/BASIC RESEARCH OUTPUTS OF MASTER TEACHERS**

- 1) To provide ready reference on the conduct of technical assistance for the preparation of action/basic outputs by Master Teachers both in the elementary and secondary level, a Research Hub database has been created by the Schools Division Office through its Planning and Research Unit to be filled out by all concerned.
- 2) The link will be sent through the official SDO Key Officials Group Chat including the Master Teachers Association for Field Research. This database will align to the division research portal and forthcoming official research portal of the DepEd Central Office dubbed as E-Saliksik to be formally launched next year.
- 3) For widest dissemination and information.
