SUBJECT: "INVITATION TO ATTEND TO AN ONLINE WORKSHOP FOR BREACH RESPONSE AND CYBER SECURITY"

Dear Sir/Madam,

Greetings!

Yisrael Solutions and Training Center Inc is committed for the welfare of the country and the people. In line with the recent pandemic or the amid spread of COVID 19, the conduct of training classes or seminar/workshops all over the country had been temporarily postponed indefinitely until further notice to ensure the security, health and safety of our countrymen. However, we have decided to continue our operations with virtual classrooms and remote work through the use of digital communication technology.

As an alternative option for face-to-face, we would like to offer you our online workshop, the online equivalent of being in a training room and learning together as a group through collaborative activities which will be conducted over the internet.

Cyber security awareness training is essential to reduce the risk that employees exposed and tricked by sophisticated phishing or social engineering methods into serving unknowingly as entry points or worst, breach incidents that can affect organization information and data systems. This training could also help the company/agency to respond in a security breach and comply with the necessary notification requirements under the Philippine Data Privacy Act.

The primary objective of the security awareness program is to educate users on their responsibility to help protect the confidentiality, availability and integrity of their organization's information and information assets. The participants will be able know the state-of-the art information about Cyber Security, it's importance, good practices and benefits to the organization. Participants can have a view on different phases of security threats: System Hacking, Malware Threat, Sniffing, Social Engineering, DDOS Attack and How can they respond to them.

During the training, the speakers will also confer on Breach simulation briefing and simulation of attack and a Breach Notification Requirements of RA 10173, a deep discussion on breach notification requirements under the DPA and Circular 16-03 and additional information on RA 10175 "Cybercrime Act"

Participants will take their time to report the results of their investigation on the given breach simulation, both technical and compliance report that is why we encourage you to form or create a Breach Response team (minimum number or three (3) or more participants) to be headed by the Data Protection Officer (DPO) to attend and participate on the "Breach Response Team Report.

While we are staying at home to help controlling the spread of COVID 19, we are inviting you to attend in our online workshop classes for Breach Response and Cyber Security Threat and Attacks. Our cyber security expert will give discussion and demo about Cyber Threats and Attacks.

Below are the online workshop class programs/modules:

MODULE	TOPIC	TIME PERIOD	OBJECTIVES
1	DAY 1: INTRODUCTION TO CYBER SECURITY	9:00AM	Know the state-of-the art information about Cyber Security, it's importance, good practices and benefits to the organization
2	KNOWING THE ATTACK VECTORS (PART I)	TO 4:00PM	Participants can have a view on different phases of security threats: System Hacking, Malware Threat, Sniffing, Social Engineering, DDOS Attack and How can they respond to them.
3	DAY 2: KNOWING THE ATTACK VECTORS (PART II)	9:00AM	Continuation of discussion on phases of security threats: Hacking web servers, SQL Injection, Hacking Wireless Networks and Mobile Platforms
4	MANAGEMENT APPROACH: INCIDENT RESPONSE FRAMEWORK	TO 4:00PM	The session will provide guidance and additional information on security incident response framework
5	BREACH AND LIVE-ATTACK SIMULATION		Breach simulation briefing and simulation of attack
6	DAY 3: BREACH NOTIFICATION REQUIREMENTS OF RA 10173	9:00AM	A deep discussion on breach notification requirements under the DPA and Circular 16-03 and additional information on RA 10175 "Cybercrime Act"
7	BREACH RESPONSE TEAM REPORT (PRESENTATION OF REPORTS)	TO 4:00PM	Participants will take their time to report the results of their investigation on the given breach simulation, both technical and compliance report.

TENTATIVE WORKSHOP SCHEDULE:

February 21-23, 2022

April 27-29, 2022

Our online workshop will be held for three (3) days and the Online Workshop Fee is Php 1,800/day per pax (inclusive of tax). Kindly fill up the attached Confirmation Form which requires a list of your participants and email at nharis@yisraelsolutions.com for your workshop schedule. Please deposit the payment and email the deposit slip then a meeting ID and a password will be sent to your email. Payment should be made on the account of **YISRAEL SOLUTIONS & CONSULTING (YISCON) INC.**

We also conduct an in-house workshop wherein a central office can organize its regions to attend an online workshop. If you are interested, please inform us at the contact numbers stated below:

For inquiries and/or clarification, please contact us by email at nharis@yisraelsolutions.com (attention to Nharis A. Aspacio); or thru text at mobile number 0966-1877-756-GLOBE; landline (632) 616-3086; telefax at (02) 956-2025.

Our team, though working from our own homes, would like to remind you to sanitize your gadgets, aside from washing hands frequently, as an added precautionary measure to prevent the spread of the virus.

We hope to see you in our online workshops!
