

Republic of the Philippines
Department of Education
REGION I
SCHOOLS DIVISION OFFICE DAGUPAN CITY

With pride and a grateful heart, I give my warmest congratulations to the graduates and completers of S.Y. 2021-2022! You successfully completed another fruitful year despite the challenges we faced brought by the health crisis.

To the Class of 2022, I commend your strength and resiliency. Despite the challenges you face during these trying times, your love and dedication for learning outshone. As I celebrate with you this school year's graduation and commencement exercises with the theme, "K to 12 Graduates: Pursuing Dreams and Fostering Resilience in the Face of Adversity", I wish you the best of luck in pursuing your dreams amidst the adversities. We are now living in a world filled with uncertainties. We are living in a VUCA World – a world described as volatile, uncertain, complex, and ambiguous – causing unpredictable changes. We do not have much control over how things turn out, yet we do have the power to come to terms with these uncertainties. In dealing with vicissitudes, I hope and pray that you bring with you the core values instituted by our beloved Department of Education and the strength and resiliency of a certified Filipino citizen.

To the parents, teachers, school administrators, LGU, community and other stakeholders who established a strong partnership to continue providing education to the learners, I give the same commendations for your incomparable passion and dedication. May you continue to be the shining light for our children.

Once again, to all the graduates and completers, congratulations on your well-deserved success. I express these warm greetings with my prayers that you may always be guided and blessed for your future!

With love and pride today and always,
