MESSAGE

Foremost, we give thanks and honor to the Lord Almighty for having allowed all of us to come this far after the deadly onslaught of the COVID19 pandemic. We likewise extend our gratitude to our leaders, our teachers, our parent-partners, and to each one for coming together in prayer and in service ushering us in these endemic times.

Our theme: “K to 12 Graduates: Pursuing Dreams and Fostering Resilience in the face of Adversity,” reminds all of us, particularly you our dear completers and graduates to never lose faith that there is a loving GOD who would take good care of us, to never quit despite uncertainties of life, and to never lose hope and dreams.

Learning continuity and the conquering and completion of such in the face of an unseen enemy is a clear manifestation of our survival so let us capitalize on this and endeavor to bring out the best of your hard-earned education.

Dream bigger and bolder for yourself, your family, your environment, your community, your nation, and please do not forget your Alma Mater, above all - our Lord GOD.

God bless you and your journey.
