Dear SDS Fernandez,

Masantos ya agew!

I am pleased to inform you that the Anakbanwa Creative Residency (ACR) Program will be held in Dagupan City for five weeks beginning September 8, 2022. The project is a platform for creatives to create context and site-specific work while collaborating with a diverse cohort of local artisans, craft makers, and emerging arts communities in the historic region of Pangasinan, especially in the fourth district.

The culmination of the Anakbanwa Creative Residency is the Anakbanwa Art Exhibit which will run for a month, starting on October 8, 2022. Staged at the MacArthur House, the exhibit will carry the various works created by the Anakbanwa artists during their time in Pangasinan.

In this regard, may I request your good office to invite teachers and students in the Dagupan City Schools Division to visit the exhibit. Admission to students is free.
