Dr. Aguedo C. Fernandez, CESO V
Superintendent
DepED, Dagupan City

Dear Dr. Fernandez,

Greetings of Peace and Solidarity!

Suicide death is a public health concern with a profound impact on those around them. An estimated of 703,000 people each year take their life around the world based on the data from World Health Organization.

Raising awareness, reducing stigma and encouraging well- informed action can reduce the instances of suicide around the world.

In 2003, World Suicide Prevention Day was established by the international Association for Suicide Prevention by WHO.

With this, the **Philippine Red Cross- Pangasinan Chapter through its Dagupan City Branch** will be joining the aforementioned event through an educational webinar with the theme "**Creating Hope through Action**"

In line with this, we would like to request your good office to send the guidance counsellors of the elementary /secondary schools, in our city to attend the said webinar. They can register through <https://forms.gle/nvkVDjnh2R7lucm79> while the link for the webinar will be sent to their email address day before the schedule. **WEBINAR SEMINAR ON SEPT. 23, 2022 @ 1-5:00 PM.**

Should you have any queries, please don't hesitate to reach us at 075.632.3296 / 0917.828.3018 and look for Ms. Mary Gold De Leon our Focal Person for Welfare Service.
