Dear Dr. Banzon,

Warmest Greetings!

The UP Subol Society (UPSS) is a non-stock, non-profit university-based organization at the University of the Philippines. As the first and premier organization of UP students from Pangasinan, its primary function is to (1) serve the people of our beloved province and (2) provide an avenue for students with Pangasinan roots to meaningfully interact and cooperate. At its core, UPSS aims to promote a purposive scholarship in the university, in Pangasinan, and, consequently, to the country.

As UPSS bridges its passion for serving Pangasinan, promoting its culture, and cultivating critical minds through education, the organization would like to actualize the potential it sees in the province's youth. Moreover, the organization wholeheartedly believes that everyone, especially the youth, deserves a chance at a free and quality education. Thus, to aid our hopefully incoming College students and current Senior High School students in Pangasinan, the organization's **College Admission Test (CAT) Review** will now be making a comeback this 2024.

This CAT Review is set to take place on **July 6-7, 2024**, at **Pangasinan National High School** and **Mangaldan National High School**, respectively. Moreover, the event's objectives are as follows:

1. Conduct a mock exam encapsulating concepts in the Sciences, Mathematics, Reading Comprehension, and Language Proficiency in order for the students familiarize themselves in the typical setup of an admission test; and
2. Review and instruct the students with relevant techniques, practical strategies, and foundational lessons that could improve their potential score; and
3. Provide academic materials for studying to be utilized afterwards.

In line with this, UPSS earnestly asks for your support as the organization takes part in empowering the youth and rendering service to our dear province. **The organization is requesting your good office to be its partner institution by endorsing our CAT Review 2024 to all public and private high school institutions under the jurisdiction of the Division Office of Dagupan City**, which shall greatly help us widen the reach of the event's advocacy. Along with your endorsement of CAT Review 2024 to schools under your jurisdiction, UP Subol Society Baguio Chapter is also asking for permission to utilize your logo for its publications and succeeding necessary letters signifying our endorsement from your office. However, we do not require it nonetheless.
