Dear Ma'am,

Greetings!

I wanted to share some exciting news with you. For almost eighteen years, **CKP N ENTERPRISE** has been working tirelessly to bridge the gap between students and educational activities and events tailored to their preferences. Our goal is to provide a platform that showcases educational and socially relevant films, catering to different levels and beliefs, and ensuring accessibility for all, regardless of social status. Through our hybrid streaming platform, we offer online, face-to-face, and hybrid block screenings in schools and universities, promoting Filipino cultural roots and narratives.

One of our main objectives is to connect independent filmmakers with their target audience, which includes schools and government offices. We believe that this provides a unique and unconventional platform to promote Filipino culture and arts through independent films.

Considering this, we are currently engaging students through film-viewing experiences at SM Cinemas / Robinsons Cinemas. We believe that film has the power to inspire, educate, and spark meaningful conversations. We hope to foster a deeper understanding and appreciation for Filipino culture by bringing these films directly to students.

In this light, we are wishing and expecting your usual support in making this great experience part of your educational activities in the division.

- No disruption of regular classes. Showing dates will be on Saturdays and Sundays.
- School Yr. 2024-2025

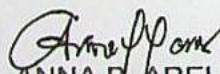

Venue: Robinsons Calasiao Cinema
