DIVISION MEMORANDUM

No.: 396, s. 2024

IMPLEMENTATION OF PROJECT EYE (Ensuring Young Eyesight)

To: Assistant Schools Division Superintendent
Chiefs of Functional Division- CID & SGOD
Education Program Supervisors
Public Schools District Supervisors
School Heads (Public Schools)
Elementary and Secondary School Teachers (Public and Private Schools)
All Others Concerned

1. In view of Republic Act 11358 known as National Vision Screening Act signed last July 31, 2019 and in celebration of Sight-Saving Month every month of August, the Division Office through the Medical Unit is implementing its Project EYE (Ensuring Young Eyesight).

2. Project EYE aims to improve and care for the vision of young learners by providing the necessary eyewear for those with 20/40 vision, thereby enhancing their learning experiences this School Year 2024-2025. This initiative will be carried out in three phases: Screening/Assessment, Refraction, and Awarding.

A. Screening/Assessment - To conduct vision screenings (eye acuity) in selected schools to identify learners with vision problems.

B. Refraction - To perform comprehensive eye examinations to determine the specific needs for corrective lenses.

C. Awarding - To provide eyeglasses to 150 learners who require them, ensuring they can fully participate in their educational activities.

3. Aside from this, the SDO Medical Unit and schools shall be responsible for organizing and conducting the eye care awareness session in schools. They will also invite a qualified resource speaker to provide expert insights and practical advice on maintaining good eye health.

4. Thus, this office acknowledges the following host-schools of the Project EYE last August 21, 2024 : Malued Elementary School and Juan P. Guadiz Elementary School, where the initial vision screening of learners was done by our partners, LNU-College of Optometry personnel and interns.
5. In connection with this, West Central I and West Central II Elementary Schools' learners will be screened on September 11, 2024. Further, attach is the list of learners who will undergo Refraction on the same date.
6. Schools shall engage the services of a professional eye doctor to screen the vision of learners, particularly when LNU-College of Optometry is not available, and shall inform the office through the Medical Unit two (2) days before its conduct, if this situation occurs.
7. Secondary schools are also encouraged to take the initiative to implement vision screening for their learners.
8. For your information, guidance, and compliance.
