DIR. TOLENTINO G. AQUINO
Regional Director
Department of Education, Regional Office 1
City of San Fernando, La Union

Dear Director Aquino:

The National Economic and Development Authority is now opening the Call for Proposals for the 2024 Innovation Grants under the Philippine Innovation Act, also known as Republic Act 11293. The Philippine Innovation Act adopts innovation as a vital component of the country's development policies to drive inclusive development.

As part of the effective implementation of this law, the NEDA is authorized to issue grants for innovative programs, activities, and projects subject to the guidelines issued by NEDA and DBM. The guidelines and other detailed information can be accessed through <https://neda.gov.ph/2024InnovationGrants>. We are also attaching NEDA-DBM Joint Memorandum Circular JMC No. 2024-01 for your reference.

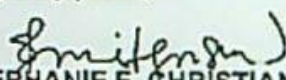

In line with this, we are requesting interested proponents from various agencies, local government units, public schools, state universities and colleges, and government-owned and controlled corporations to authorize program or project leaders to create an account, complete the grant application forms, and provide supporting documents through the Electronic Innovation Grants Information System, accessible at: <https://eigis-innovation.neda.gov.ph>.

You may contact our focal person, Engr. Richard M. Rivera, at (072) 8882708 or rrivera@neda.gov.ph for further clarifications.

We appreciate the submission of your proposals to the system not later than October 31, 2024.

Thank you very much.

Very truly yours,

STEPHANIE F. CHRISTIANSEN
Regional Director
