MESSAGE

I would like to extend my warmest commendations and greetings to the graduates and completers this SY 2024-2025. Congratulations on your remarkable achievement!

Today is a day of jubilation and praises, of remembrance and gratitude. This day is a testament of your hard work, perseverance, and dedication.

As you close this chapter and open a new page, it is important to look back foremost to the people who have molded and supported you to become your own improved versions. Your parents, family, teachers, peers, and other people who have showered you with love and support have become instrumental in helping you reach this important milestone of your life.

Heed the lessons you learned, the wisdom you gained, the skills and knowledge you harvested, and the experiences you shared and challenges you overcame together. Collectively, these became the spindles that shaped your perceptions, beliefs, and vision of the future. Weaved together, they served as the latticework for your generation to imagine and create a new world.

Amid the celebration, this year's theme "**Generation of Unity: Partners for the New Philippines**" also calls upon your generation to fulfill an important mission: to revitalize the spirit of *bayanihan* in the midst of a rapidly changing and dissenting world, and together, to take meaningful decisions and actions to transform it to a stronger and unified nation.

Propelling yourself to that vision of the future means embracing unity in action, harnessing together diverse perspectives, experiences, skills, and backgrounds toward a common goal for the country. It means utilizing critical thinking and working collaboratively to turn the dream of a revitalized nation into a shared reality. With your united generation at the helm, the future of the Philippines has never looked brighter.

Once again, congratulations on this significant milestone and wishing you the very best as you embark on new beginnings.

Patuloy na ipamalas ang inyong puso, galing, at talino tungo sa pagsasakatuparan ng layunin ng isang makabagong Pilipinas.
