1. In line with DepEd Order No. 2, s. 2015 *Guidelines on the Establishment and Implementation of the Results-Based Performance Management System or RPMS* and DepEd Order No. 16, s. 2017 *Research Management Guidelines*, this Office reiterates the vital role of Master Teachers (MTs) as instructional leaders and researchers in improving teaching and learning practices.
2. The RPMS framework specifically outlines the expectation for Master Teachers to conduct action research as part of their performance targets. Each MT is encouraged to complete at least one action research project annually, aligned with the Philippine Professional Standards for Teachers (PPST), particularly under Domain 7: Personal Growth and Professional Development, and Domain 1: Content Knowledge and Pedagogy.
3. To ensure alignment with the Division's research commitments and the Office Performance Commitment and Review (OPCR), Supervisors and School Heads are granted the prerogative to designate Master Teachers to conduct action research each semester.
4. Attached herewith is the List of Master Teachers recommended to conduct Action Research for SY 2025–2026 onwards.
