DR. MARCIANO U. SORIANO Jr.
Schools Division Superintendent
Office of the Schools Division Superintendent
Dagupan City

Dear Dr. Soriano,

Greetings!

The **UP Subol Society (UPSS)** is a non-stock, non-profit university-based organization at the University of the Philippines. As the first and premier organization of UP students from Pangasinan, its primary function is to (1) serve the people of their beloved province and (2) provide an avenue for students with Pangasinan roots to meaningfully interact and cooperate. At its core, UPSS aims to promote a purposive scholarship at the university, in Pangasinan, and, consequently, in the country.

As UPSS continues its commitment to serving Pangasinan and promoting its culture, the organization seeks to actualize the potential it sees in the province's youth. Hence, to foster camaraderie and societal consciousness among Junior High School and Senior High School students in Pangasinan, the organization hosts the annual clash of talents and wits through **Padunungan.**

Now in its 45th year, Padunungan is set to take place on **January 08, 2027, at the Narciso Ramos Sports and Civic Center (Lingayen, Pangasinan),** with the theme **"Mansukait tan Miblang: Fostering Critical Youth towards Collective Responsibility and Empowered Democracy."** The theme calls on the youth to critically examine societal issues and actively participate in addressing concerns within their communities. Moreover, the event's objectives are as follows:

1. Cultivate critical thinking and consciousness among the youth by encouraging them to examine and engage with contemporary issues affecting society;
2. Encourage meaningful youth participation and collective responsibility by providing opportunities for young *kabaleyans* to actively engage in matters concerning their communities.
3. Provide alternative platforms for youth to express, develop, and hone their skills and perspectives within and beyond the academic setting;
4. Foster a deeper appreciation of Pangasinan culture, history, language, literature, and tourism as part of strengthening the youth's connection to their community and identity; and
5. Foster camaraderie, mutual respect, teamwork, and civic-mindedness among the participants, encouraging them to recognize their role in contributing to the betterment of society.

In line with this, UPSS earnestly asks for your support as the organization takes part in empowering the youth and rendering service to our dear province. The organization respectfully requests your good office to be its **partner institution by endorsing Padunungan 2027** to all public and private high school institutions under the jurisdiction of the **Division Office of Dagupan City,** which shall greatly help us widen the reach of the event's advocacy.

Moreover, along with your endorsement of Padunungan 2027 to schools under your jurisdiction, the UP Subol Society is also requesting **permission to utilize your logo for its publications and succeeding necessary letters signifying our endorsement of your office.**

Attached herewith are the necessary documents pertinent to the event. UPSS hopes for your favorable response to its request and looks forward to your support in upholding Pangasinan's intellectual, artistic, and cultural richness.

For further updates regarding our upcoming events and activities, kindly visit and follow our official Facebook page, **UP Subol Society**, at https://www.facebook.com/UPSubol. We look forward to keeping you informed and connected with our organization.

We hope to hear your positive response by this week **(October 02, 2026)** through our email subolsociety.up@gmail.com, or the contact information below. Your support will be highly appreciated, and may it be rewarded a hundredfold.
